Snapshot – Who is AutomWorx?

- AutomWorx is an independent consulting company staffed with a team of highly experienced solution architects, consultants, and project managers with over fifteen years of experience working with Automic software for customers globally. We are available to assist you with all of your Automic needs – whether that involves new licensing, installation, upgrades, migrations, product training and Extended Support.

Snapshot – What Training Services Do We Offer?

- Our trainers specialize in Automic OneAutomation, AppWorx and UC4 software.

- We facilitate the following training courses in a virtual or onsite capacity:

    o Two-day end user formal education

    o One-day administrator formal education

- AutomWorx also offers **one to two-day** custom workshops with an agenda tailored to your educational needs:

    o End user navigation and how-to's

    o Intermediate and power user navigation in Automic

    o Administrator and super user tasks

    o Product installation and environmental preparation techniques

    o In-depth environmental walkthroughs, best practices recommendations and system optimization procedures

    o New software version ("what's new") feature and function walkthroughs

    o Custom scripting in Automic

- AutomWorx personnel are highly proficient in various Automic agent deployments. We offer **one-day** workshops on these agents:

    o Ellucian Banner

    o Informatica

    o Oracle JD Edwards

    o Oracle E-Business

- o Oracle C2M | CC&B

- o Oracle PeopleSoft

- o Oracle Retail

- o SAP

- o Custom Automic solutions
